

RIDER – NON-SVEMO

Create a Svemo-TA profile, register a vehicle, register for a competition, choose a starting number.

As a rider with a license from a different FIM-associated federation than Svemo, you need to register a profile on Svemo-TA.

Using your profile on Svemo-TA, you can do the following:

- register for competitions
- pay competition fees online to the competition organiser
- book a starting number
- see your results in Svemo-sanctioned competitions over the years.

What you need:

- Computer or mobile device with internet access
- Information about your vehicles
- Your transponder number (if you have one).

create your profile on Svemo-TA:

1. Open your web browser.

2. Go to <https://tam.svemo.se/>

3. Click on **Välj Språk**.

4. In the drop-down-menue, click on **Engelska**.

5. Click on **REGISTER NEW PROFILE +**

6. Check **Foreign (missing swedish personal ID number)**

7. Fill in your personal details as requested.

Always fill in a valid email address, so that you get updates from the organiser of the competitions you register for.

8. Click on **Complete registration**

9. Check your email for an automated message from ta-noreply@svemo.se .

10. Follow the instructions in the email to create a password for your profile.

Back on Svemo-TA, you might need to change the language back to English again as described in points 3 and 4.

11. Click on **SIGN IN** .

12. Sign in with your username (IDSvemoTA/ IDSvemoRA) and password.

Complete your profile:

13. Click on **MY SVEMORA ID:** or **Profile**

14. Click on **Personal details** and **ICE** and complete your details.

Your **Personal details** and **ICE** help the competition organiser and Svemo to give you best possible support when competing in Sweden.

RIDER – NON-SVEMO

Create a Svemo-TA profile, register a vehicle, register for a competition, choose a starting number.

Register your vehicle and transponder number

1. Sign in on Svemo-TA.
2. Click on **Vehicles**.
3. Click on **Create new Vehicle** .
4. Add all the details for your vehicle.
5. Click on **Save Vehicle** .

- ! - If you have a vehicle registered and you need to make changes, click on the vehicle in your list of vehicles and edit.
- ! - When registering for a competition, you can easily choose a vehicle as part of the registration process.

Register for a competition and pay the competition fee

1. Sign in on Svemo-TA.
2. Click on **Competitions**.
3. Use the search options to find the competition you want to register for. You can choose any competition where it says **Anmälan öppen / Registration open**.

- ! You need to have a valid license issued by your federation for the competition and class you register for.
- ! There can also be age restrictions for different classes.
- ! You will get information about age restrictions when registering for a competition.

4. Follow the instructions on your screen and register for the competition. **Once you registered for a competition, you will get updates about your registration via email.**
5. Follow the instructions on your screen or in the confirmation email and pay your competition fee. In your **Cart** you see what you need to pay for.

- ! **Your registration is not complete until the payment of your competition fee is registered as paid in Svemo-TA.** Please contact the organiser for questions regarding payment. You find the organisers contact details in the additional rules (supplementary rules) for the competition.

RIDER – NON-SVEMO
